*"After some time of working with adorable and super-multitalented Helena Christensen Odd Molly has now chosen to work with Charlotte Kemp Muhl for the 2012 campaigns. She performed live at last years Odd Molly runway show at New York Fashion Week and when choosing future model woman for Odd Molly she was an easy pick. Top Model Charlotte is not only extraordinarily beautiful in her very personal look, she is also genuinely talented in many other ways. We saw her entertain live, singing and playing accordion with boyfriend Sean Lennon at our show and we all fell in love. Odd Molly truly celebrates the many qualities in a woman and we see Charlotte Kemp Muhl as a perfect successor to Helena Christensen. And Yes, Charlotte truly loves our designs and our core values so the love is very mutual. This is going to be very very exciting and I so much look forward to our photoshoot in New York on June 27th".*
